- 7.1 Courses will be either pre-defined courses (defined by a course number) from the BBYC course card, courses designed by the Race Officer using marks from the BBYC course card, or courses (such as windward leeward courses) using laid marks, either exclusively or in combinations with marks from the BBYC course card.
- 7.2 Courses will normally be published as a list of rounding marks together with the side on which they are to be left, either in the vicinity of the registration sheets in the BBYC Wardroom or on a whiteboard on the side of the Race Committee signal boat if committee boat starts are offered.
- 7.3 All marks will be as described on the BBYC Course card, typically either small plastic cans of varying colours, or navigational marks. For courses using laid marks, yellow and/or orange inflatable tetrahedrons will be used.

**8. Starting and Finishing Lines**

8.1 **The starting line** will either be the BBYC 'club line' or at a committee boat, as follows:

- a) The club line will be an extension of the transit formed by the mast on the BBYC Race Hut and BBYC Mark 3, with BBYC Mark 4 serving as the outer limit mark.
- b) The committee boat line will be between the RC Flag staff on the race committee boat and the course side of near-by mark to the port side of the committee boat

8.2 **The finishing line:**

- a) Absent any specific notice, the finishing line will be the BBYC club line, an extension of the transit formed by the mast on the BBYC Race Hut and BBYC Mark 3, with BBYC Mark 4 serving as the outer limit mark, but
- b) The race officer may specify a race committee boat finish as part of the posted course definition, in which case the finishing line will be between the RC Flag staff on the race committee boat and the course side of near-by mark.

**9. Changing the Course**

- 9.1 The race committee may change all legs of a course after a rounding mark by positioning a boat near that mark. The boat will display Code Flag 'C' while making repeated sound signals and will display a whiteboard with a list of rounding marks together with the side on which they are to be left for the remainder of the course.
- 9.2 The race committee may also make radio transmissions of the course change as a courtesy to competitors.

**10. Time Limit**

The time limit for each Wednesday night race will be 2.5 hours and 4 hours for afternoon races for the first boat to finish. Boats failing to finish within 30 minutes for Wednesday night races or 60 minutes for afternoon races, of the first boat to finish will be scored Did Not Finish without a hearing. This changes rules 35, A4 and A5.

**11. Protests**

Completed protest forms shall be delivered to the BBYC Office (or bar) within 60 minutes after the last boat to finish in the last race of the day. Hearings will be held as soon as practicable after racing, but may be held over to a later date.

**12. Scoring**

- 12.1 One race is required to be completed to constitute a series.
- 12.2 For Spring, Summer, Autumn and overall season series, when fewer than 5 races have been completed, a boat's series score will be the total of her race scores. When 5 or more races are completed, a boat's score will be the total of her race scores excluding her worst score. When more than 15 races are completed a boat's score will be the sum of her race scores excluding her worst (N-15) scores, where N is the number of races in the series. Certain race scores cannot be excluded as stipulated in the RRS.
- 12.3 Where boats provide RC support for their assigned Wednesday night, they will be scored the average of their individual race scores (excluding DNC results) for the season series and the year's overall series.
- 12.4 Fleets will be scored for each series and for the overall season according to the following classes for the purposes of awards:
  - A Class: PHRF of under 150 sec/nm
  - B Class: PHRF of 150 sec/nm and over
